

## Jason Mraz – Live High

I try to picture the girl  
Through a looking glass  
and see her as a carbon atom  
See her eyes and stare back at them  
See that girl  
As her own new world  
Though a home is on the surface, she is still a universe

Glory God, oh God is peeking through the blinds  
Are we all here standing naked  
Taking guesses at the actual date and time  
Oh my, justifying reasons why  
Is an absolutely insane resolution to live by

Live high  
Live mighty  
Live righteously  
Takin' it easy  
Live high, live mighty  
Live righteously

Try to picture the man  
To always have an open hand  
See him as a giving tree  
See him as matter  
A matter fact he's not a beast  
No not the devil either  
Always a good deed doer  
And it's laughter that we're making after all

The call of the wild is still an ordination why  
And the order of the primates  
All our politics are too late  
Oh my, the congregation in my mind  
Is this assembly singing of gratitude  
Practicing their lovin for you

Live high, live mighty, live righteously  
Takin it easy, Live high, live mighty, live righteously

Just take it easy  
And celebrate the malleable reality  
Nothing is ever as it seems  
yet This life is but a dream
